TWIN

Side View

Features:

- Ideal for use in excessive dusty humidity and corrosive environment.
- Made from extreme durable high impact injection moulded and heat resistant polystyrene.
- Provide IP 65 degree of protection.
- Easy installation with superior speed mounting system without using any specialize tool.
- Strong sheet steel component plate that is stove enameled inside and outside.
- Fitting can be supplied with emergency power pack (PP), electronic ballast (EB) or extra low loss magnetic ballast (6WLL).

Emergency Power Pack

Special features of optional closure

- **Wireguard** - Wireguard can be added to prevent vandalism and breakage, hence less maintenance.

Application:

- Chemical factories
- Parking areas
- Swimming pool areas
- Food processing factories
- Loading bays
- Beach

Stainless steel clip
