

QUALITY AND ENVIROMENT POLICY

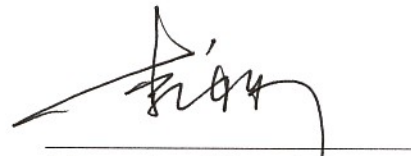

As an Quality and Environmental friendly responsible company, we will continue dedicated to provide the best by setting up the **QMS** and **EMS** with the commitment to :

- Provide training and making continual improvement a part of our every day and every job requirement.
- Learn and develop from customer's feedback on how we can better serve their business interest and needs. This will take us beyond customer's satisfaction and increase customer's loyalty.
- To comply with applicable legislation and regulation.
- Prevention of pollution
- Adopt an attitude toward continual improvement, continual awareness on environmental and quality issue among all persons working for or on behalf of the organization.

The policy will be communicated to all persons working for or on behalf of the organization and made available to public.
